TRANSFER APPLICATIONS FROM OTHER UNIVERSITIES – A.Y. 2019/20

European Master in Health & Physical Activity – LM67 INT.

The Academic Senate has approved for the Academic Year 2019/20, upon proposal of the Faculty Board, number of available positions for transfer applicants to the European Master in Health & Physical Activity enrolled on the same course class (LM67) in other universities:

- 2 positions reserved to students from other second-level programmes in preventive and adaptive physical activity at Italian universities or from equivalent programmes at European and non-European universities, where at least 75% of awarded credits have been taught in English.

Transfer applications to Università degli Studi di Roma “Foro Italico” – Piazza Lauro de Bosis 15 – 00135 Roma, for the attention of the Rector, shall be delivered by the 22nd of August 2019 (date attested by the mail stamp), together with certification from the sending institution including:

- Passed exams and relevant marks;
- Awarded ECTS;
- Programs of passed exams;
- Photocopy of academic transcript (if applicable);
- Disabled students only: a certificate attesting their disability in accordance with current legislation.

The Programme Executive Board, on the basis of:
- average marks;
- awarded ECTS;
- number of repeated years or exceeding normal duration of the programme.

will draw up a ranking list of the eligible students according to the following formula:

\[(\text{average mark} + \text{ECTS} : 10) \times \text{a coefficient of 0,5, to be added for a number of times corresponding to number of repeated years (ripetente) or exceeding the normal duration of the programme (fuori corso).}\]

Examples:
- student with average mark 27, 36 ECTS not exceeding normal duration of the program \(27 + 3,6 = \text{score 30,6}\)
- student with average mark 27, 36 ECTS and 2 years “fuori corso” \((27 + 3,6) \times (0,5 \times 0,5) = 30,6 \times 0,25 = \text{score 7,65}\)

By the 30th of September 2019 the Executive Board shall:
- Draw up ranking list of transfer applicants;
- Evaluate curriculum of each student, validate passed exams corresponding to the subjects of the study programme of the European Master in Health and Physical Activity offered at our university and establish awarded ECTS;
- Evaluate curriculum of each student, and propose recognition of those passed exams corresponding to the subjects of the study programme of the second level degree in Preventive and Adaptive Physical Activity offered at our university as well as awarded ECTS;
- Indicate the year of study the student has been admitted to, taking into consideration also the rules set for the students enrolled in our university;
- Decide upon exams still to be taken, under each year;
- Ask to verify the student’s physical fitness;
- Send the transfers’ ranking list and relevant careers to the Students Office in order to inform the student on the evaluation results.
Admitted students, once they have received the above information, can decide whether to accept the transfer and shall:
- accept the study plan, as well as the exams recognized by the University of Rome “Foro Italico” and the year of study they have been assigned to;
- acknowledge Regulations of the LM67 INT study programme;
- undergo the medical examination, whose cost is in charge of the student, in accordance with the indications of the Students Office, being aware that the University of Rome “Foro Italico” can decide, irrevocably, not to accept the transfer if the student does not pass the medical examination;
- participate in an Orientation meeting, even by distance modality, at the time and in the way indicated by the Students Office, before being finally
- enrol by the 31st of October 2019;
